

Local Competitive Skating Team Needs Your Help

Skaters from the *Redwood City Ice Theatre team (a 501(c)(3) non-profit organization)* located at Nazareth Ice Oasis in Redwood City are headed to Cape Cod, Massachusetts in April, 2011.

This season; in addition to skating in local California events, such as the recent US Figure Skating "Rise" fundraiser in San Francisco, our skaters will compete in two highly prestigious competitions:

4th Annual US Figure Skating National Theatre on Ice Competition*

**The top 3 placing teams will qualify to represent the US at the next TOI World Championships and the*

2011 State Games of America in San Diego, CA

Our team of young skaters (ranging in age from 10-17) are all members of US Figure Skating, and proudly represent the Peninsula Skating Club. Since it's inception in 2002, our team has been quite successful; including reaching the podium in multiple National and International competitions, with most recently a 1st place finish at the 2009 State Games of America, as well as earning the junior division Choreographic Exercise bronze medal at the 2010 International Theatre on Ice Competition

We are excited to share with you that our sport of Theatre on Ice continues to increase in popularity around the world. In fact, the next Theatre on Ice World Championships "Nations Cup" is scheduled to be held in Spain.

Our skaters have been working hard since the beginning of our season on a series of fantastic programs that they will compete with, including their : TOI Free Skate "Swing" and their Choreographic Exercise "Celebration" .

Competing nationally and internationally is both an honor and a privilege for our skaters, but it will cost each child approximately \$2,500 to attend the competitions.

Redwood City Ice Theatre is actively fundraising to help offset the costs of travel and training for our skaters.

In recognition of your generous support of our team, we would like to promote your business or family name in one of the various ways listed on our attached Sponsorship Form.

To support this dynamic group of young individuals, please complete and return the attached form or call our Team Director, Susan Blaisdell at 650-364-8090 x 116 for more information.
